MESSAGE FROM OUR TRUSTEES

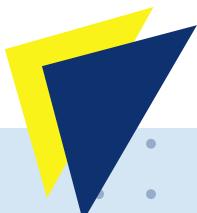

Despite the hardships suffered by so many because of Covid-19 and the Movement Control Orders, we are immensely grateful for the continued support shown to YCK from donors and sponsors. Thanks to the hard work of the YCK team, we have made every contribution count towards protecting and uplifting children at risk.

Tunku Zain Al-Abidin
Trustee

As a mother, it is truly difficult to see a child suffer, being abused or not have access to basic healthcare. The pandemic has not only disrupted lives it has also destroyed lives. Our heartfelt gratitude to everyone who picked up our calls, followed us on social media and helped forward our cries for help. This wouldn't have been possible without our incredible team at YCK. I am humbled each day by their perseverance, determination and commitment to every child.

FOUNDER'S MESSAGE

**Dato Dr. Hartini
Zainuddin**
Founder

The last 2 years have been so challenging for so many but never have I been so proud to be part of the YCK team, who have risen and accepted the obstacles and hardships in serving so many children and their families, in this time of need . It is far beyond the call of duty. Our heartfelt gratitude and love for the continuous, unwavering support and donations and cheering on from the public, corporate and individual donors. Without them, the staff and Yayasan Chow Kit children and families would not be as resilient and persevering as they are now. Thank you so so much for the love.

CEO'S MESSAGE

Ananti Rajasingam
CEO

2021 has brought many challenges to the communities we serve, with the poor getting even poorer. With the hard lessons and challenges faced, we are grateful to each and everyone of our partners be it individuals or corporates who came forth to march with us to help lift some of life's very heavy burdens off our families. We could not have done it without your support. Be it food aid, rental support, medical - your support mattered.
